

ADDENDUM TO SCHOOL REPORT CARD

Page 2

Due to a \$1,947,541 Life Safety project at Shabbona Middle School and the construction of White Oak Elementary School, the district percentages in the Expenditure by Function 2001-02 graph are skewed by the inclusion of Site & Construction, Life Safety and Building Bond expenses. The district percentages in the Expenditure by Fund 2001-02 table are also skewed by the inclusion of Site & Construction, Life Safety and Building Bond expenses.

Taking the above adjustment into consideration:

District Instruction percentage is 34.6% rather than 18.9%.

General Administration percentage is 5.2% rather than 2.9%.

Supporting Services percentage is 31.6% rather than 17.2%.

Education Fund percentage is 65.9% rather than 35.9%.

Operations & Maintenance percentage is 11.1% rather than 6.1%.

Transportation percentage is 6.2% rather than 3.4%.

Page 3

The 2001-02 Operating Expenditure per pupil is skewed by the inclusion of Building Bond expenses.

Taking the above adjustment into consideration:

2001-02 Operating Expenditure per Pupil is \$7,174 rather than \$8,599.
